2021 Summer Reading Program – FAQs

WILL THE LIBRARY HAVE IN-PERSON EVENTS THIS YEAR?

Yes! Space will be limited for in-person events, so register today to save your spot. Attendees must comply with current social distancing and other health mandates.

ARE WE ABLE TO PARTICIPATE IN THE READING PROGRAM AT MORE THAN ONE LIBRARY BRANCH?

You may officially register at only one of our library branches. Craft kits and badges will only be available to children registered at that specific library, while supplies last.

However, you are always welcome to view any of our virtual events, and to attend programs at other branches when space is available.

WHAT ARE BADGES?

Badges are the library's new prize system – earn badges by registering, reading, and participating in library programs. When you register, you get your first badge, and a lanyard to display your growing collection. There is a badge for every activity, so try to collect them all!

HOW DO I EARN PRIZES?

Keep track of the time you spend reading. Each week, we encourage you to increase your reading time by 15 minutes per day. At the end of the summer, the top reader for each age group receives a badge and a special prize!

Reading logs are available in paper and online formats. Turn in your completed reading logs after you reach each reading goal and receive a special prize.

WHAT ARE MY READING GOALS?

Earn a badge for meeting each of these reading goals:

- 75 minutes (Just 15 minutes per day!)
- 225 minutes (Just 30 minutes per day + the 75 minutes already read!)
- 450 minutes (Just 45 minutes per day + the 225 minutes already read!)
- 750 minutes (Just 60 minutes per day + the 450 minutes already read!)
- 1125 minutes (Just 75 minutes per day + the 750 minutes already read!)
- 1575 minutes (Just 90 minutes per day + the 1125 minutes already read!)

HOW DO I EARN EVEN MORE BADGES?

Tune in weekly to watch our programs! Share the secret CODEWORD heard in each special video to receive your badge for watching that video. These virtual programs will be available on our website and social media pages. Our programming schedule contains something for every member of your family. We will also post additional story times on our YouTube channel – just search for Brown County Public Library and subscribe so you don't miss a thing!
