

# Tutoring Interest Application

Does your K-12 student need one-on-one or small group tutoring sessions for specific subjects or general learning/study skills? Tutoring is available at one of our local libraries - Fayetteville-Perry, Georgetown, Mt. Orab, or Sardinia - through June 2024. This service is provided free of charge, thanks to a Libraries Accelerating Learning Grant from the Ohio Department of Education.

Complete and submit the application below to be matched with a tutor. Fill out a separate application for each child. Number your preference of location (1-4):
